July 10, 2007

Knoxville, TN — Announcing the grand opening of Table Fifteen Bistro and Bar, Knoxville's newest restaurant and wine bar located in Turkey Creek next to Belks and Bonefish Grill. Table Fifteen will offer over 85 wines by the glass in a sophisticated, colorful atmosphere. Guests are given the rare opportunity to sample some of the world's finest wines and enjoy them alongside perfectly paired upscale American fare.

Skip Taylor, Table Fifteen's General Manager: "No other place in Knoxville is offering so many flights of wine in such a unique atmosphere — intimate, friendly and fun. This is definitely THE one-of-a-kind nightlife experience Knoxville residents have been looking for... and it's a great place to come in and experience different wines and wine pairings!"

In addition to the impressive selection of reds, whites and everything in between, Table Fifteen Bistro and Bar has a select menu of salads, appetizers, brick-oven-fired sandwiches and pizzas, and desserts. The private room can also be reserved for special functions and tasting parties.
